

Georgia State Firefighters Association
Georgia Association of Fire Chiefs

February 15, 2019

Mr. Richard Phillips
Southwest Georgia Fire Chiefs Association
P.O. Box 1169
Camilla, GA 31730

Dear Mr. Phillips:

On behalf of the Georgia State Firefighters Association (GSFA) and the Georgia Association of Fire Chiefs (GAFC), we would like to extend our sincere appreciation to Southwest Georgia Fire Chiefs Association for your support as a sponsor of the 13th Annual Fire Service Legislative Dinner at the Georgia Freight Depot. Your generous contribution allowed us to host a tremendous networking event that was well attended by legislators and firefighters alike.

GSFA and GAFC have worked hard to provide value-added opportunities for businesses and organizations to interact with our membership. If you have ideas on ways we can enhance your experience, please be sure to let us know.

Our next event is the Georgia Fire & Emergency Services Equipment Show scheduled for March 22 at the Georgia National Fairgrounds in Perry, Georgia. This event draws approximately 300 firefighters and other public safety personnel and includes opportunities for both exhibit booth space and sponsorship. If you would like more information this event, please go to www.gsffa.org and click on GSFA events or contact Beth Brown (bbrown@gsffa.org / 770-262-5092) or Yalonde Tanner (ytanner@gafc.org / 404-693-7253).

Again, thank you for your ongoing support of Georgia's fire service and your participation in this year's Fire Service Legislative Dinner.

Sincerely,

David Bullard, GSFA President

Charles Wasdin, GAFC President
