

**Presents: G191-HM**  
**Emergency Operations Center/ Incident Command Interface**  
**July 18, 2022**  
**Dougherty County EMS, West Station**  
**503 N. Westover Blvd**  
**Albany, Georgia 31701**

Course Length: July 18, 2022, 8:00 AM - 5:00 PM.

Class size: 30 Participants

**Credits:** This course has been approved for continuing education credits by GEMA, Georgia State Office of EMS, POST, and Georgia Firefighters Standards & Training Council.

**Prerequisite:** IS-0100.C, IS-0700.B, IS-800.D, IS-0200.C Certificates need to be emailed to GEMA training at [training@gema.ga.gov](mailto:training@gema.ga.gov).

**Course Description:**

The course provides emergency management and response personnel an opportunity to develop an Incident Command System (ICS)/Emergency Operations Center (EOC) interface for their communities.

**Course Objective:**

- Reviews ICS and EOC characteristics, responsibilities, and functions.
- The course depends heavily on activities and group discussions to formulate an interface.
- This course works best when delivered to Incident Command System and Emergency Operations Center personnel from the same community.
